SUMMARY

I graduated from Wikrama Bogor Vocational High School in 2025, majoring in Computer Network Engineering and Telecommunications. I have completed an internship for six months at PT Maxindo Mitra Solusi as a Technical Support, where I was responsible for needs assessment, installation, troubleshooting, and network maintenance. I am passionate about building a career in Server Administration.

EXPERIENCE

PT Maxindo Mitra Solusi (West Jakarta) Jan 2024 - Jun 2024

Technical Support

- Conducted network device requirements assessments during site visits to customers.
- Installed and configured MikroTik, Ruijie, and UniFi devices.
- Resolved network issues when disruptions occurred.
- Ensured network infrastructure maintenance by performing monthly checkups.
